e-DIPLOMA: Oct-Jan 2025 Highlights

Welcome to this new edition of the e-DIPLOMA newsletter! Join us as we revisit the main highlights and activities that marked our progress from October to January 2025.

Discover **e-DIPLOMA** in action!

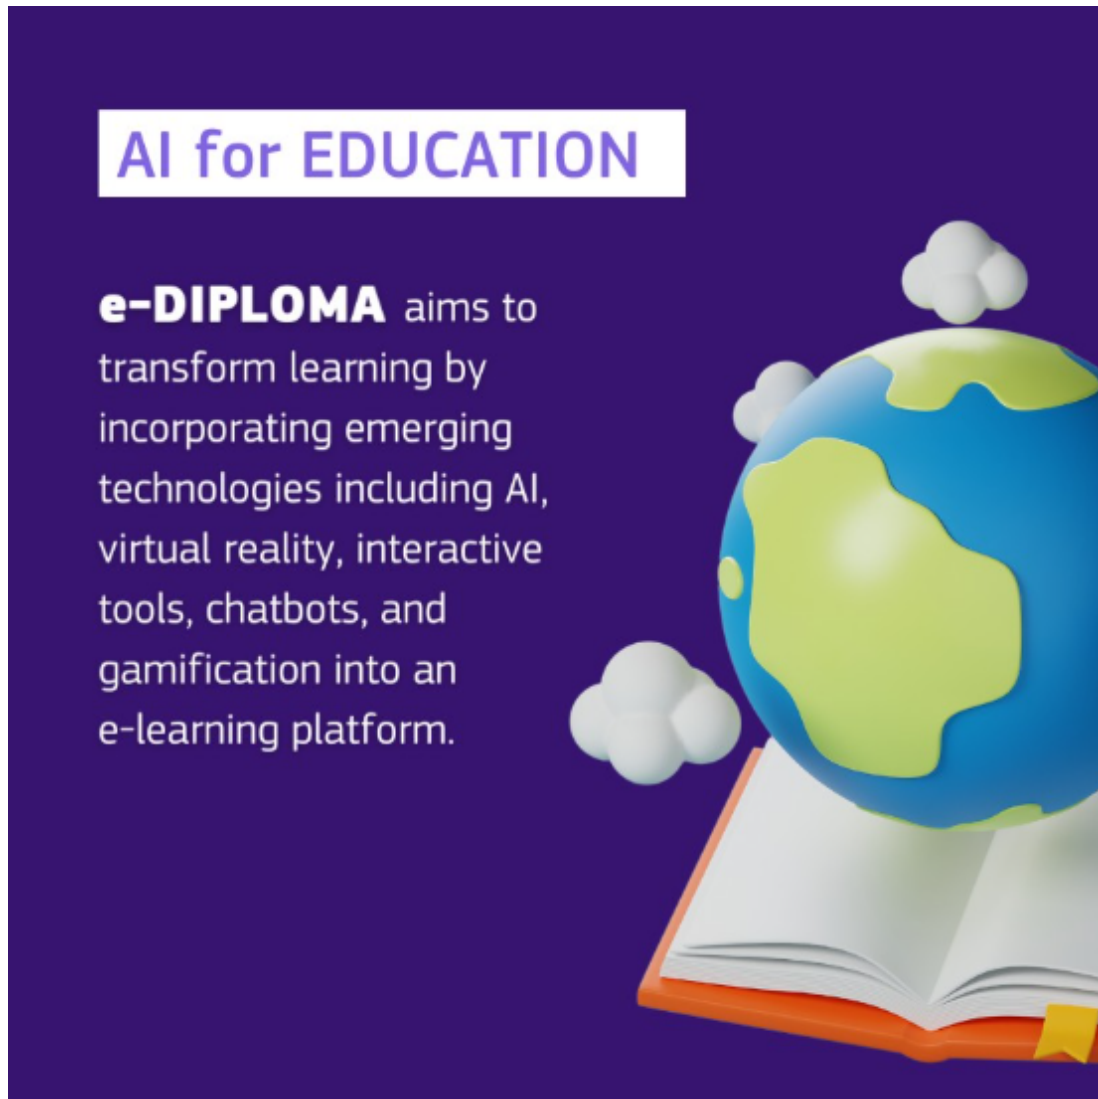

On the International Day of Education, Águeda Gómez Cambronero opened the doors of INIT-UJI to show how e-DIPLOMA is transforming the way we learn. Using **Edison Desk (by Brainstorm)**, along with **AR and VR tools**, we are creating dynamic, interactive experiences that bridge theory and practice—making education both immersive and impactful.

Spotlighted by the European Research Executive Agency (REA)

e-DIPLOMA has been spotlighted by the European Research Executive Agency (REA) as a reference project leveraging **Artificial Intelligence** to enhance education. This acknowledgment highlights our team's commitment to reshaping how technology supports educators and learners alike.

e-DIPLOMA Showcased Innovation at INIT's 1st Conference on New Technologies and Education

e-DIPLOMA took center stage at the 1st Conference on New Technologies and Education, held at Universitat Jaume I on December 11–12. The project team presented its latest results through live demonstrations, offering attendees a first-hand look at how AI and Extended Reality (XR) are reshaping the future of education.
